 - Positions that need filing secretary, vice president, hot lunch coordinator, May Day coordinator, and possibly President position
 - We will send out nomination sheet and notice for upcoming elections in June. We will also send a donation sheet alone to give a better idea what all the PAC takes care of during the school year.
- Gifts for departing staff? No confirmed teachers leaving, table until June. However, Mrs. Murphy and Ms. Lee are looking for a gift basket to bring on their field trip with items from the Bradner community. We will reach out on the WhatsApp group for donations.
- Teacher Appreciation date and menu - June 16th - table menu until next meeting
- Pauline from BBC piano tuning offer – Elva, Pauline said she would pay for piano tuning if needed. It does need it. Jocelyn will reach out to who she used before.
- Book exchange/fundraiser- Ruleen (K and gr 2 mom) said at Mt Lehman they did a book exchange program. People donate their old books and, on a day, when all the parents are at the school, possibly sports day or pancake breakfast we can have the books out to sell for 2 dollars each. – Carly will take this on.

- Double check coffee order sheets we had for May Day tables to see if QR code still works for next coffee order during May Day.
- Gov grant for playground – Diana - Mr. Walters heard about green roots paly equipment who help with gov grant for new play equipment on the radio and Diana reached out to them. They want to talk to us. This will be for phase II of play ground update. The old metal equipment in the back will need to be replaced soon.
- Greenhouse garden club request – Ms. Mitchell wants some shelving and benches. Christine can maybe ask her husband to build some shelves and benches. Also, a suggestion is to ask Melissa Crump if they can help at all with wood etc.
