DPAC Report

Presentation from The Foundry, based on the book *Feel Better*. Planning in-person education day. Public Board Meeting tomorrow, Nov 4, virtual. DPAC will cover cost of attending virtual summit. Result from parent learning survey – mental health, anti-bullying, safe technology. New staff appreciation day added. Question around noon-hour supervision, lack of training and support to bring ppl on, train, and retain. Lots of gift card scams going around various schools right now via email – be careful!

Next meeting online, November 27, 2025
