

Bradner Elementary School Newsletter

Bradner Families,

It was great to see so many students and families at the **May Day event!** Thank you to the many families who gave time and support to make this day a success!

There's a lot happening in June. The school website has a calendar of events, and they are listed below too.

This week we had "**Science Alive**" come to each classroom and teach us about really cool science experiments where students had hands on experiences learning connected to the BC curriculum. This experience, along with last week's Science World presentation, was both graciously paid for by our PAC through their fundraising. Thank you PAC and thank YOU!

Bradner School Supplies

School Supply lists are now available on our website. I have also included a link below that will forward you to School Start's Website where you can order your supplies directly.

www.schoolstart.ca

Please note that the **Grade 2 supply list** is quite small. Our Grade 2 teacher has purchased some supplies for the students in her class at a discount. We will request payment in September through School Cash to these families.

Lost & Found

We have a lot of items in our lost and found. Please look for them in the school parking lot sometime next week or stop by the school. We will donate any items left at school after June 25.

Summer Camp Soccer Opportunities

Below are some summer camp soccer opportunities:
